ITEM 5 – FEES AND COMPENSATION

5a: Fee Schedules

In general, fees for ForUsAll's investment advisory services are based upon a percentage of assets under management and are charged quarterly in arrears. Certain clients may have unique fee arrangements that are not specified herein.

Fees for Retirement Plan Services

ForUsAll charges its Plan Sponsor Clients a minimum revenue fee of \$2,500 per year.

ForUsAll charges asset based fees of up to 0.35% annually for its Advisory Services. Each Client's asset based fee is detailed in its Investment Advisory or Plan Services Agreement with ForUsAll or in its Joinder Agreement with the ForUs 401(k).

The fees described above may be paid by the Retirement Plan recordkeeper directly from Retirement Plan assets, accounts or investments. Alternatively, fees for Retirement Plan services may be billed directly to the Plan Sponsor.

Our fees are negotiable. The specific manner in which fees are charged by ForUsAll is established in the client's written agreement with ForUsAll. Expenses such as travel and notice delivery fees may be billed separately to clients at cost, unless otherwise agreed to in the advisory agreement.

Asset-based fees generally are calculated as follows—

- The initial fee will be prorated based upon the number of days remaining in the initial quarterly period from the date of execution of the Agreement.
- The initial fee will be based upon the market value of the Retirement Plan assets at the close of business on the last business day of the initial quarterly period.
- Thereafter, the quarterly portion of any annual asset-based fees will be based upon the market value of the Retirement Plan assets at the close of business on the last business day of the previous calendar

quarter (without adjustment for anticipated withdrawals by Plan Participants or beneficiaries or other anticipated or scheduled transfers or distributions of assets.)

- When the Agreement is terminated prior to the end of a quarter, ForUsAll will be entitled to a quarterly fee, prorated for the number of days in the quarter prior to the effective date of the termination, and for asset-based fees, based on the market value of the Retirement Plan assets at the close of business on the effective date of termination.

ForUsAll charges its Plan Sponsor Clients an onsite fee of \$1,000. This fixed fee may be waived on a case by case basis.

Plan Sponsor Clients may be billed for Notice Delivery Services in cases where ForUsAll mails notices to Retirement Plan Participants.

5b: Fee Payments Options

The fees for Retirement Plan Services may be paid by the Retirement Plan recordkeeper directly from Retirement Plan assets, accounts or investments. Alternatively, fees for Retirement Plan services may be billed to the Plan Sponsor.

5c: Third Party Fees

Clients are responsible for the payment of all third party fees (i.e. custodian fees, mutual fund fees, transaction fees, etc.). Those fees are separate and distinct from the fees we charge.

All brokerage commissions, stock transfer fees, and other similar charges incurred in connection with our recommendations will be paid out of the assets in the account.

5d: Termination

Either ForUsAll or Plan Sponsors can terminate their Advisory Agreement, Plan Services Agreement or Joinder Agreement upon receipt of written notice to the other party.

ITEM 8 – METHODS OF ANALYSIS, INVESTMENT STRATEGIES AND RISK OF LOSS

ForUsAll uses multiple sources of information to formulate analysis and strategies. They include sources such as financial newspapers, financial magazines, research prepared by others, financial data, prospectuses, annual reports, financial statements and filings with the SEC. ForUsAll cannot guarantee that these sources of information are free from error.

8b: Investment Strategies

When our client is a Retirement Plan or Plan Sponsor, we will construct a prudent investment lineup for the sponsored Retirement Plan based on information derived from conversations with the client and the Retirement Plan's documents, which typically includes an investment policy statement. In determining the investment alternatives for the Retirement Plan, ForUsAll considers the universe of investments available to 401(k) plans on open

architecture recordkeeping platforms. Factors considered include: expense ratios, historical investment performance, asset class exposures, expected returns and volatility. Once the investment lineup is created, we will monitor the investments in the Retirement Plan and primarily advise with respect to assets allocated to mutual funds, bank collective trust funds, and exchange traded funds.

8c: Risk of Loss

All investments include a risk of loss. In addition, as recent global and domestic economic events have indicated, performance of any investment is not guaranteed. As a result, there is a risk that the target date fund, and any other investments we may recommend for a Retirement Plan may lose value. We use our best efforts and expertise to make our recommendations. However, we cannot guarantee any level of performance or that you will not experience financial loss.

ForUsAll will use our best judgment and good faith efforts in rendering services to you. We cannot warrant or guarantee any particular level of account performance, or that the account will be profitable over time. Not every investment decision or recommendation made by us will be profitable. You assume all market risk involved in the investment of your Retirement Plan account's assets under the Investment Advisory Agreement and understand that investment recommendations made for this account are subject to various market, currency, economic, political and business risks. Except as may otherwise be provided by law, we will not be liable to you for (a) any loss that you may suffer by reason of any investment recommendation made or other action taken or omitted in good faith by ForUsAll with that degree of care, skill, prudence and diligence under the circumstances that a prudent person acting in a fiduciary capacity would use. Nothing in this document shall relieve us from any responsibility or liability we may have under state or federal statutes.
